

I am writing to tell you how awesome K-Love has been to me personally as a resident and for my family. It has benefited me so much as well as many others that I know. I know many people who would be absolutely devastated if K-Love were to be displaced by an LPFM broadcaster providing other programming. I believe that the service provided by K-Love is in the public interest because it is clean music, encouraging, uplifting, pleasant to the ears, meets the needs of the people and definitely does not hurt any of its hearers. I believe by my personal testimony and many others that people who listen to K-Love end up switching completely to this wonderful station. I am pleading that you consider my statement about K-Love. They really have helped me gain personal confidence and given me direction. Thank you for taking the time to read this. Have a great day!

A true K-Love listener,

Jeanie Payne
